## Measures of Musical Talent

By Prof. C. E. Seashore

**T**HE "Measures of Musical Talent," prepared by Professor C. E. Seashore, Head of the Department of Philosophy and Psychology, and Dean of the Graduate School of the University of Iowa, are now available in the form of Phonograph Records.

Are you interested in the discovery and encouragement of Musical Talent? Do you believe special advantage in music should be given to those who have superior talent? Do you believe that the organization of music in the schools should be based upon scientific information about talent? Do you believe in serving the community by follow-up work in the interests of the musically talented? If so, the Seashore "Measures of Musical Talent" records will be a most welcome aid to you. The numbers and names are as follows:

- |                                      |                              |

*Also a very long list of Normal Schools and countless County Institutes.*

These educators in charge of this formidable list of institutions have taken this action because of the well recognized supremacy of the Victrola, Victor Records, and the Victor Educational Plan.

*In the schools, this great country places a trust—the responsibility of directing the development of the child into the citizen.*

The superintendents, principals, and teachers are true to that trust when they give the children the advantages of a completely balanced education, the practical idealism which arouses the spirit, trains the mind, and develops the body.

Equip your schools with Victrolas and Victor Records. For full information, write
